The above copies of my receipts (mailed proof from the Saxton, Pa. Post Office on Jan. 16, 2001 and the return receipt copy from the PTO Mail Center) showing my Patent Application had been received on Jan. 23, 2001. It seems to me to be an extra long time to have to wait for my Patent application to be examined and evaluated?

Prior Patents I have gotten have been processed in half the time! As you can see from copy of my phone bill a month back, I had tried without success to ascertain just why I haven't heard anything.

Nobody I talked to, except one man could help me find out a thing! He said that the backlog was really piled up. Can you please help me? I'm 85 years young, but there is a point where one mistep and fini!

Thankyou in advance,

John C. Murray
